Info:	David Brown 12, 14, 90 & 94 series clutch replacements
--------------	---

LuK have developed and introduced a newly designed range of clutches **231 0042 10 & 231 0043 10** to replace the existing clutches for David Brown applications currently using the 12" Laycock type clutches - part numbers **231 0040 41 / 231 0041 41 / 231 0042 40 & 231 0043 40**.

The new design utilises the latest clutch technology using a vented housing for improved cooling and heat dispersal.

**Fully interchangeable with existing clutches with no modifications required to vehicle or flywheel.
New fixation bolts are supplied with new designs.**
